Sherlock Holmes Hotel London

108 Baker Street London, W1

The Sherlock Holmes Hotel. An elegant, contemporary, hip, boutique hotel in a fabulous location. Park Plaza Hotels have spent £9 million giving The Sherlock Holmes Hotel a contemporary feel with unique attention to detail. As you enter, the original staircase of 108 Baker Street sweeps down on to the oak floor of Sherlock's bar which has a long pewter-topped counter and a large modern sculptural fireplace. Oak is a feature, used in doors, dado panelling architraves and - as you might expect - bookcases.

The Sherlock Holmes Hotel is an island of elegance, luxury and peacefulness in an unrivalled central location of London. The combination of heritage, modern style and flexible packages available make it a desirable venue for corporate events and parties.
